**WEST VIRGINIA BOARD OF OSTEOPATHIC MEDICINE**

**Complainant,**

**Complaint No. 2025-27**

v.

**BENJAMIN FEINZIMER, D.O.,**

**Respondent.**

**CONSENT ORDER**

The West Virginia Board of Osteopathic Medicine (“West Virginia Board” or “Board”) and Benjamin Feinzimer, D.O. (“Dr. Feinzimer”), agree to entry of the following Consent Order pursuant to W. Va. Code § 30-14-1, *et seq.*, W. Va. Code § 30-1-1 *et seq.*, W. Va. Code § 30-1C, *et seq.*, and the rules of the Board.

**STIPULATION OF FACTS**

The Board and Dr. Feinzimer stipulate to the truthfulness and accuracy of the following facts:

1. Dr. Feinzimer was licensed to practice medicine in West Virginia on or about August 3, 2018, holding License Number 3359, pursuant to the Interstate Medical Licensure Compact Commission (“Compact”). Dr. Feinzimer’s principal state of licensure is Illinois. Dr. Feinzimer’s West Virginia license remained active through the Compact until June 30, 2024. The actions taken by Dr. Feinzimer that resulted in the discipline imposed herein occurred while his license to practice osteopathic medicine was active in West Virginia.

2. The West Virginia Board was notified through the Compact that Dr. Feinzimer was disciplined by the Mississippi State Board of Medical Licensure ("Mississippi Board").<sup>1</sup>
3. In its Determination and Order, the Mississippi Board determined that as the medical director of iDrip<sup>2</sup>, Dr. Feinzimer prescribed, administered, or dispensed medications without performing patient examinations and any key medical indication.
4. The Mississippi Board also determined that Dr. Feinzimer was guilty of unprofessional conduct, including knowingly performing any act that assists in the unlicensed practice of medicine.
5. By Order dated May 9, 2024, the Mississippi Board suspended Dr. Feinzimer's license for six months, with an immediate stay, with the start date of the suspension on December 8, 2023. The Mississippi Board further required Dr. Feinzimer to complete continuing education courses in professionalism and ethics, and reimburse the Mississippi Board \$10,000.
6. Whereupon, the West Virginia Board issued the above-styled complaint against Dr. Feinzimer on or about November 7, 2025.<sup>3</sup> Dr. Feinzimer submitted a response to Complaint on or about December 9, 2025. The West Virginia Board subsequently met and considered the matter.
7. The Board and Respondent voluntarily enter into this Consent Order to resolve Complaint No. 2025-27.

---

<sup>1</sup> At all relevant times, Mississippi was a member state of the Compact as defined by W. Va. Code §30-1C-2(j).

<sup>2</sup> iDrip is a company that provides support to individuals who set up IV hydration practices in different states.

<sup>3</sup> The action taken by the West Virginia Board is based solely on the acts and omissions committed by Dr. Feinzimer that resulted in the discipline taken by the Mississippi Board.

CONCLUSIONS OF LAW

Based on the above-mentioned Mississippi Board action, the West Virginia Board is authorized to discipline Dr. Feinzimer, pursuant to the following:

1. W. Va. Code §30-1C, Interstate Medical Licensure Compact, Section 10, Disciplinary Actions provides:

(a) Any disciplinary action taken by any member board against a physician licensed through the Compact shall be deemed unprofessional conduct that may be subject to discipline by other member boards, in addition to any violation of the Medical Practice Act or regulations in that state.

....

(c) If disciplinary action is taken against a physician by a member board not in the state of principal license, any member board may deem the action conclusive as a matter of law and fact decided; and

(1) Impose the same or less sanction(s) against the physician so long as such sanctions are consistent with the Medical Practice Act of that state[.]

The West Virginia Board has determined that the acts for which Dr. Feinzimer was disciplined in Mississippi would be grounds for disciplinary action under W. Va. Code St. R. § 24.18.1.7 as follows:

(18.1.7) Is guilty of:

Had his or her license to practice osteopathic medicine in any other state, territory, jurisdiction or foreign nation, revoked, suspended, restricted or limited, or otherwise acted against, or has been subjected to any other disciplinary action by the licensing authority thereof, or has been denied licensure in any other state, territory, jurisdiction, or foreign nation.

2. The West Virginia Board of Osteopathic Medicine is a board of examination and registration created for the purpose of regulating the practice of osteopathic medicine and surgery in the State of West Virginia. W. Va. Code § 30-14-1, *et seq.*

3. Any disciplinary action taken by any member board against a physician licensed through the Compact shall be deemed unprofessional conduct which may be subject to discipline by other member boards, in addition to any violation of the Medical Practice Act or regulations in that state. W. Va. Code § 30-1C-10.

4. Based on the Stipulations of Facts, the licensee has engaged in conduct which violates the provisions of W. Va. Code R § 24-1-18.1.7 (having a license subject to discipline in any other state). Accordingly, there are legal grounds for the parties to enter into this Agreed Order.

5. Based on the foregoing Findings of Fact, based on the Mississippi Board, and W. Va. Code § 30-1C-1 Sections 10(a) and (c), the West Virginia Board concludes as a matter of law that Dr. Feinzimer is guilty of unprofessional conduct in the practice of medicine by having his license to practice osteopathic medicine in any other state suspended, restricted, limited, or otherwise acted against, by the licensing authority thereof, in violation of W. Va. Code 30-14-1, *et seq.*, and 30-1C-1, *et seq.*
