

BEFORE THE WEST VIRGINIA BOARD OF OSTEOPATHIC MEDICINE

WEST VIRGINIA BOARD OF OSTEOPATHIC MEDICINE

Complainant,

Complaint No. 2025-26

v.

JOSEPH PALUMBO, D.O.,

Respondent.

CONSENT ORDER

The West Virginia Board of Osteopathic Medicine (“West Virginia Board” or “Board”) and Joseph Palumbo, D.O. (“Respondent” or “Licensee”), agree to entry of the following Consent Order pursuant to W. Va. Code § 30-14-1, *et seq.*, W. Va. Code § 30-1-1 *et seq.*, and the rules of the Board.

STIPULATION OF FACTS

The Board and Respondent stipulate to the truthfulness and accuracy of the following facts:

1. Respondent is a physician licensed to practice medicine in the state of West Virginia, currently holding License Number 3308.
2. In a consent order dated November 15, 2023, the Department of Health Professionals in Virginia (“Virginia Board”) fined Respondent \$5,000 after finding that, in his role as the owner and medical director of multiple intravenous infusion facilities, he had “aided and abetted the unlicensed practice of medicine when he authorized and allowed staff to perform outside of his direction, control and/or supervision . . . and discretionary duties requiring the exercise of

professional judgment.” On January 19, 2024, the Virginia Board lifted the restrictions and conditions on Dr. Palumbo’s Virginia medical license after he completed the conditions of the order.

4. The West Virginia Board filed the above-styled complaint against Respondent on or about November 7, 2025, based on the disciplinary action taken by the Virginia Board.¹ The West Virginia Board designated the matter as Complaint No. 2025-26. Respondent submitted a response to Complaint on or about January 20, 2026.

6. The Board and Respondent voluntarily enter into this Consent Order to resolve Complaint No. 2025-26. *To reiterate, this action is wholly derivative of the action against Respondent taken by the Virginia Board.*

STIPULATED CONCLUSIONS OF LAW

1. The West Virginia Board of Osteopathic Medicine is a board of examination and registration created for the purpose of regulating the practice of osteopathic medicine and surgery in the State of West Virginia. W. Va. Code § 30-14-1, *et seq.*

2. The Board is authorized to impose sanctions when a licensee has been rendered unfit or unqualified to practice osteopathic medicine in accordance with the applicable standard of care to patients. W. Va. Code R. § 24-1-18 and W. Va. Code § 30-1-8.

¹The action taken by the West Virginia Board is based solely on the above-referenced action taken against Respondent by the Virginia Board.

3. Based on the Stipulations of Facts, the licensee has engaged in conduct which violates the provisions of W. Va. Code R § 24-1-18.1.7 (having a license subject to discipline in any other state)². Accordingly, there are legal grounds for the parties to enter into this Agreed Order.

4. Pursuant to W. Va. Code § 30-1-8(g), the parties may fully and finally resolve this pending matter without an evidentiary hearing by entering into an informal resolution such as this Consent Order.
